

Introductory Questions (*choose 1 or two of these questions*)

- *How are you doing?*
- *How has this past year been for you and your family?*
- *How are you maintaining community during this unprecedented time in history?*
- *How are you taking care of yourself and maintaining balance during this time?*
- *Please feel free to ask any other questions*

Get To Know You Questions (*is not required to ask all of these questions, and please feel rephrase these questions as needed*)

- *Tell me, what interests you about Mothers Out Front?*
- *What are some of the climate or environmental issues that you and your family are experiencing in your neighborhood?*
- *From your perspective, what are some solutions for addressing that issue?*
- *Would you get involved in an organization that was addressing that climate or environmental issue?*
- *Why do you think it is important to build a movement across race and class?*
- *What is your current capacity to volunteer?*
- *What do you love to do as a volunteer?*

Ask:

- *Do you know of any moms or caregivers who might be interested in learning more about Mothers Out Front? If so, can you introduce them to me? We can schedule a 1:1 with them and introduce them to Mothers Out Front, and learn more about them.*
